Our French Hand-Made Underwear.

Possibly we've been a little bit modest in pushing our claims as being the best Underwear store in town.

For example, we are the only house in Richmond, so far as we know, that sells French Hand-Made Underwear.

Singular thing, though, that it's an almost daily occurrence tohave customers tell us that they weren't aware there was any place in Richmond at which French lingerie could be purchased. They had inquired several places, and were told that none could be had in this city.

Here's a few of the exceptionally good values, and you'll get a pretty good idea of the make-up and finish of all the garments from

The Barn Dance.

In spite of what Mr. Matalini would have called a decidedly "unpleasant moist atmosphere," a goodly company gathered at the Temple Tuesday evening to enjoy South Carolina's "Barn Dance."

The hall had stacks of hay and the implements of the farm by way of decoration. The stage was ornamented with dogwood and peach trees in blossom and Mr. Polk Miller's colored band of "befo' de wah" musicians played and sung with a swing that was quite infectious in its hilarity.

The figure calling and the skirt-swishing, however, was prefaced by the singing of the "Bennie Blue Fiag," when all the company joined in the chorus, Mr. Miller leading.

Then the quardrille was formed and "forward four; cross over, ladles change and half promenade!" set the ball in motion. Friends of Mr. Stephen Putney, Jr., will be delighted to hear that he is making rapid progress towards conva-Mrs. Thomas Rutherfoord, Miss Ruther-

At the morning session, Carroll D. Wright, commissioner of labor, made an address, in the course of which he said:

"The workingman has risen from ignorance to intelligence, and as he has received intelligence, and as he has received intelligence, he has become a greater complication in industrial affairs. The next step in the development in his intelligence will be that he will not strike; that he will be able to accommodate himself to conditions because he will understand them better. He will be able to recognize his rights in relation to the rights of others and to know fully what is necessary for successful production, where now he understands only a part. Rev. William F. Campbell, presbyteria,
superintendent of Sunday-schools, presonted his report, which showed the Sunday-school work of the presbytery to be

adopted, call for the holding of two Sunday-school institutes during the coming

Rev. Russell Cecil, D. The Second Church, Petersburg, has undertaken to support Mr. I. E. Yohannon when he returns to his native land, Persia, to be a missionary among the Mohammedans in that country. The report mentions the fact that the Third Church, Richmond; Tabb-Street, Petersburg; the Fredericksburg, the Manchester and Mizpah Churches have Joined the "forward movement." promising to pay the whole or a definite part of the salary of a missionary in the foreign field. The minimum amounts promised by these churches are: Richmond, Third, \$409, Mizpah, on Chestnut Hill, and Fredericksburg, each, \$250, and Manchester, \$100.

Along with this report was presented that of the Woman's Foreign Missionary Union of the presbytery, which showed that they had raised \$2,17.50 for this cause.

ON MOHAMMEDANISM.
In connection with this report, Mr. I, E Yohannon made a most interesting and instructive address on Mohammedanism, Mr. Yohannon is a Persian, who came to this country five years ago unable to speak a word of English. He entered Union Seminary, took the course there and was ordained some time ago by this presbylery. It is romarkable that a foreigner could in so short a time gain command of our language so as to be able to deliver in it such an eloquent address as he did. There was no afternoon sossion of the presbylery, and the night session will held in the Second Presbyterian Church, of which Dr. Cecil is pastor. This was a meeting in the interest of home missions in the bounds of the presbytery.

He was followed by Dr. Cecil, who made an earnest appeal for more liberal support for this work, showing that the chief difficulty that the committee has to contend with is the lack of money to send men in the mission fields. The presbytery had to give up the services of its evangellist, Rev. C. N. Van Houten, because it did not have the money to pay his salary.
